Farewell to Mrs O'Brien

This Friday is Mrs. O'Brien's last day with us. We would very much like to thank Mrs O'Brien for her time spent with the P-2s and Miss Blake. She has helped many of the students and has provided invaluable support to all staff and students in the classrooms and throughout the school. Mrs. O'Brien was very versatile as she would also be a replacement teacher when needed.

Thank You from all of the staff, students and parents.

Japan Festival Student Drawing Contest

Congratulations to Amalie who won second prize in the drawing contest in the P-6 Primary School Division; General Art Category. She won a \$30 gift card as well as Save The Environmental prize which was a penguin with a special knitted jumper, which helps them in the event of an oil spill. Well done Amalie.

Dancing With The Stars

On Monday the children performed whole school, class and group dances. The amount of preparation for most of the dances was outstanding. Congratulations to Ben and Chinta for winning the dancers of the day. It was a very entertaining morning.

College Transition Days

The year 6 students will commence their transition days to the college the first Friday in term 3.

Working Bee and Bonfire

Thank you to all who came and helped at the working bee. It was also fantastic that the children who stayed behind helped Miss Blake and parents to spread the mulch around the garden; that was a job that has been on the to do list for far too long. As usual a number of trees had to be trimmed, the new mower was tested and worked like a dream. The BBQ put on by the Parents Association was very much appreciated at the end of it all.

School Reports

The reports will be handed out on Friday. Congratulations to all the students for completing a successful first semester.

This Friday is the last day of the term. We finish at 2.30.
Have a happy and safe holiday.
