DATES TO REMEMBER

Monday 8th June	Queen's birthday public holiday
-----------------	---------------------------------

Welcome back!

March 23 was our last day of school back in term 1, so much has happened since then. Most of the children have grown at least 4cm, they speak very highly of the experiences they have had and some actually enjoyed remote learning. However, nothing can be better than the real thing. There was a buzz in the corridor as everyone started arriving, a rushing about while trying to catch up with friends, long distance waves and a constant chatter; the school was alive with the sound of children!

Congratulations to all parents. Juggling working from home, remote learning and running a household has proved to be quite challenging and to be sure, this week was a welcome relief.

Thank you for sending in photos and keeping the communication channels open. The meetings on webex and Dojo were very successful.

Keep an eye on The Advertiser this week, some of our children make an appearance.

We are trying to keep things as normal as possible at school. We have increased our cleaning and ask that everyone sanitizes their hands when they come into school and when they leave. We have spoken to the children about the need to wash their hands regularly and use the sanitizer.

Some changes that will occur this term are that the children will not borrow books when the MARC Van comes and we will not be going on any outings.

Enjoy the photo collage.
