5 December 2024

DATES TO REMEMBER

Wednesday 18th December	School Concert
Friday 20th December	Pupil Free Day

School Concert

The concert is on Wednesday December 18. The concert will start at 7.00pm so children will need to be at school by 6.45pm. They wear their school uniform to the concert and change into costumes when needed. Please bring a drink bottle of water.

Costume and props lists will be going home this week.

Kris Kringle

The Year 6s have put together the Kris Kringle list which will have gone home this week. An explanation note has been attached to the note with the name of the person that your child has to bring a present for. The present needs to be wrapped, have the child's name on it then be placed in the class basket in the foyer. Please have the presents at school by Friday December 13th.

End of the School Year

If your children are not coming to school on Thursday can you please let the school know via a message or a note in the diary.

Friday December 20 is a pupil free day.

Natimuk Primary School - Respectful Relationships

Acts of Kindness

For the final weeks of the term we will uncover an act of kindness each day and encourage the students to fulfil the suggestion.

Natimuk Primary School is committed to being a Child Safe school

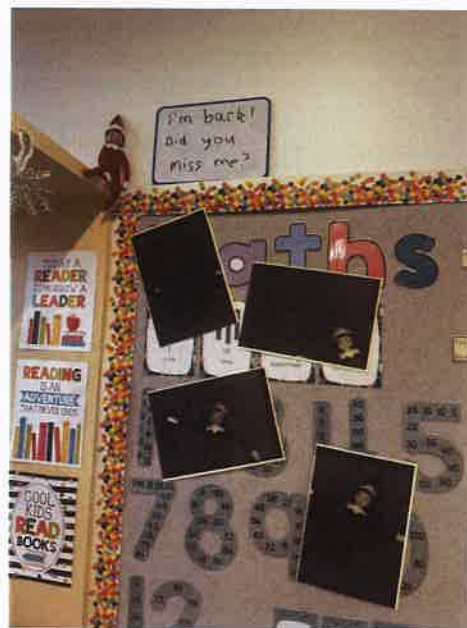

Miss Blake

December has arrived and that means there is less than 3 weeks of school left! Monday saw the arrival of Ruby our elf again. She is up to her same old tricks, playing with the photocopier and dressing up as fairy bread.

This week the Preps are learning the word tape and the sentence 'Tape is good when you make cards'. The Ones and Twos are focusing on words that have the split digraph a-e in them such as tape. Students have been enjoying writing narratives, choosing their own topics to write about.

In Maths, students have been finishing off incomplete pages in their books. Our next task will be the term 4 diagnostic test and their assessment books. Students have also completed an online maths assessment.

We have finished our unit on Dinosaurs and are now up to completing some Christmas activities and craft. Students will be making a decoration for the tree tomorrow and next week we will be doing some cooking. We are also very excited to have the new Preps join us next Tuesday for One Up Day.

Mrs Hausler

This week has been filled with festive cheer as we get into the Christmas spirit! Although we had hoped to return to our classroom by now, we've embraced our temporary space and transformed it with festive decorations. Alongside enjoying Christmas activities, we are also focused on completing some coursework.

In Literacy, we are nearing the conclusion of our novel. The book's themes have sparked meaningful discussions and expanded our vocabulary. We are also starting to prepare for our end-of-year concert items, which is always an exciting time.

In Maths, many of us have completed the core *Maths Plus* program and are now working through revision booklets and engaging in online essential assessment activities to consolidate our learning.

In Science, the Prep-4 students wrapped up the term with a butterfly hunt. We explored the external features of butterflies and recapped key concepts from the unit.
