7 May 2025

DATES TO REMEMBER

Thursday 8 May	Book Club orders due
Friday 9 May	Mothers Day Pamper Session 2pm
Tuesday 20 May	School Council, 6.30pm

Mother's Day Pamper Afternoon

We are looking forward to pampering mums, grandmas or other special persons on Friday May 9th for a special Mother's Day celebration.

Cross Country

Well done to our students who ran in the cross country. Only the first 6 across the line go to the Little Desert Cross Country in Kaniva on Monday May 12. The results from the day are Logan 14th, Isabel 7th, Ava 17th and Tahlia 3rd. It was a great effort as they had to run either 2 or 3km depending on their age group. Good luck in Kaniva Tahlia.

Nursing Home Visit

We are returning to Natimuk Nursing Home for our regular intergeneration visits with our fist visit next Tuesday. The residents thoroughly enjoy having the children over and do a variety of activities together. The children have developed a great rapport with the residents, which means they look forward to visiting and catching up.

We have had a bit of a disrupted term with staff being away and it will happen a bit more towards the end of the term. We are trying to keep things as routine as possible so as not to impact on student learning.

Natimuk Primary School is a Respectful Relationships Partner School

Term 2 Decision making - stay or go

After establishing the rules of the game if it is still being played unfairly decide whether to stay or go. Can you make a change?

Natimuk Primary School is committed to being a Child Safe school

Mrs Clarkson

In Maths the students are learning the rules for BODMAS. Once it was determined that the rule has been put in place to ensure everyone gets the same answer when solving complicated equations the students had to practise. This week we will practise lots of different equations requiring a good understanding of the order of BODMAS. The students have been working at a fantastic pace this year and have all completed their first assessment. Good luck today at the Maths Olympics.

Miss Blake

Who can believe that it's week 3 of this term already! We have some exciting activities happening in the next couple of weeks.

Students are very excited about the Mother's Day Pamper session on Friday afternoon, we can't wait to see you all there.

This week the Preps are learning the word *dog* and the sentence 'We can play with my dog'. The Ones and Twos are focusing on words that have f as is fish. We are starting our unit on persuasive writing, learning what persuasive means and giving our opinion on topics.

In Maths students are working through their set curriculum. We taught the Preps how to play a new card game called Take 10, its about making numbers to 10.

In Technology, we read a book called *Fabulous Frogs*. It was all about different Australian frogs. The older students completed a hexagonal thinking tool, joining key words from the story together and explaining their thinking to a partner. The younger students drew a picture of their favourite frog from the story and wrote 2 facts that they learnt.

STUDENTS OF THE WEEK

Logan Hennessy—for always being considerate of his classmates, including others, and cheering hard for his peers at Cross Country.

Zaahir Sahib—for saying nice things to his classmates and being friendly to people.
